Our story: **Karaoke Fun Clubs®** started back in 1998 as Double D DJ Company and went into DDJ & Karaoke sales and service in 1997 as **CLUB WORKS Sound & Lighting** (Oregon's largest karaoke Store) still in business today. In 2005 with Napster (a music upload / file sharing site) taking over sharing free music and the decline of karaoke music sales CLUB WORKS decided to enter the karaoke service market as **Karaoke Fun Clubs®** knowing someday music manufactures and labels would start suing for loss of revenue from file sharing.

Today **Karaoke Fun Clubs®** is one of the Nations leaders in providing karaoke services in the Northwest for commercial use and public performances for Clubs, Restaurants, and lounges by offering certified karaoke & DJ music libraries for the public in a commercial venue.

After 30 years of working in the karaoke industry **Karaoke Fun Clubs®** now offers the "Best" in Karaoke Host's, updated karaoke books, updated karaoke music and top of the line professional karaoke equipment such as **4 microphone wireless systems** with the professional mixers for individual control to each microphone and sound systems design for each karaoke location not just one system fits all rooms.

Karaoke Fun Clubs® has worked with national promoters such as ABC TV (**Karaoke Battle USA**) National TV Show, **American Idol** (We've been a affiliate partner for 2018's show for Oregon), **Talent Quest** and currently a partner with KWC (**Karaoke World Championships**) for National Singing competitions.
